K9 TEAM ASSISTS IN SEARCH FOR MISSING CAMPER IN LIME CREEK

Team conducts eleventh search mission this year

The year continues to be a busy one for K9 Search and Rescue Team Inc. based in Dolores.

On Tuesday September 30th, the team responded to a request from San Juan County Sheriff Sue Kurtz to assist in the search for a 46-year old man, who had been camping in the Lime Creek area.

Family and friends reported the man had become despondent after calls to family and his ex-girlfriend. A close friend had visited the campground at the request of the man's father who lives in Vermont, but found his car locked, his tent zipped up, and the man missing.

Under direction of the San Juan County Sheriff Office and San Juan County Search and Rescue, three k9 handlers from the team deployed in the immediate area but were unable to locate the man. The search was joined by La Plata County Search and Rescue. As of this date, the man is still listed as missing.

Anyone with information is asked to call the Sheriff's Office at 387-5531.
