^Equipment required by the K-9 Team

* Equipment recommended by the K-9 Team

** Equipment that can be left at base

The Team does not recommend cotton clothing be worn in the field. Clothing that wicks moisture away from the skin and still has insulating value when wet is recommended, i.e. wool, polar-tec, polypropylene, gortex.

The Team has hard hats, headlamps, sleeping pads, avalanche beacons, radios, GPS's, tracking sticks, and pagers.
